GRAND KNIGHT'S MESSAGE

As my term as Grand Knight draws to a close, I wish to express my deepest gratitude for the privilege of serving our council. This past year has been another strong chapter in our shared mission, made possible only through your dedication, charity, and fraternity.

I extend heartfelt congratulations to our newly elected executive. They bring talent, energy, and a commitment to continue the good work we have built together. I ask each of you to offer them your full support in the months ahead, just as you have supported me.

To all the Knights who stepped forward at our events, volunteered your time, and represented our council with pride—thank you. Your efforts strengthened our parish, our community, and our brotherhood. A special thank-you goes to our wives and our families. Their patience, encouragement, and behind-the-scenes support allow us to do the work we do.

May God continue to guide our council to another successful year.

Spiritual Reflection for the End of a Fraternal Year- Council 8192

Brother Knights, as we come to the close of our fraternal year, we pause—not simply to look back at what we have done, but to recognize **Who has been at work through us**. The Knights of Columbus is never just a list of events, meetings, or hours volunteered. It is a living expression of virtues that can only become active when ordinary men allow God, who has already gone before us, to work through them.

Whether serving at the fish fry, cooking at the Maple Syrup Festival, or selling a freezie to a child, each act of service—large or small—became a moment of grace as Christ's love was made visible in our community through our council. As we look ahead, let us ask the Lord to bless the work of our hands, to strengthen the bonds of our brotherhood, and to deepen our commitment to the principles that define us. May we continue to be men of courage, men of prayer, and true Knights—defenders of faith and servants of charity.

Welcome to our newest online members. We look forward to having them join our council.
